

# UMBRA

*An intimate shadow puppet cabaret*

*A handful of strangers encounter a surreal shadow puppet world*

---

*Monkeys in the jungle, UFO abductions, brain transplants and flying Ninjas! UMBRA is one man's playful vision of wonder and nonsense. In each 10 min show, the audience gathers into a tiny tent to witness the visual trickery creating each shadow puppet melodrama. A lively, new fusion of shadow puppetry and clown comedy... served in a miniature cabaret tent.*

*From Montreal-based clown Jeff Achtem (Mr Bunk), UMBRA is a wordless and imaginative puppet comedy for all ages.*
